Note 1: Students of Taguig City University are already considered City Scholars because it is the City of Taguig that is mainly funding their education by providing the funds for TCU. This is the reason why they are disqualified from applying in any of the scholarship, EXCEPT for the freshmen/incoming freshmen who are graduates of public secondary schools in Taguig.

Note 2: Taguig Public HS graduates who qualify for basic scholarship and also apply and qualify under SUC/LCU scholarship will then get 10k per year. Old or continuing students who apply for SUC/LCU Scholarship should submit a certified copy of their grades in the preceding semester, and with their semestral grade average indicated.
